

# INCLUSIONS & EXCLUSIONS

CURRENT AS AT SEPTEMBER 2020

## Ecovillage House & Land Packages

Choosing one of our 15 pre-designed House & Land Package homes can make life easier on so many levels. But as in any building process, you need to be aware of what is and isn't included in the basic cost price so you can budget wisely. This list is not exhaustive but covers many of the key items. Make sure you discuss your house pricing in detail with your builder.

### Inclusions

- Prices are inclusive of GST
- Private Building Permit Certification / Building permit fee / BCTIF
- Ecovillage design assessment completed
- Energy efficiency (NatHERS) assessment
- Life Cycle Assessment (eTool)
- Compliant with Liveable Housing Design Guidelines 'Silver' Standard
- Structural engineering
- Site survey and set out
- Sand pad / site certification (provisional sum)
- Services connections to sewer, power, NBN at boundary
- Concrete driveway and concrete crossover
